Can the Inner Dimensional Sound Chamber save us from the coming Earth changes?

by **AMERICAN HERITAGE**

Tom Hunt always had it all, a good job, his health, a beautiful lake home, a good wife, a good life. However, he should be more careful looking up at the stars one evening. He realized at the time that prayers were being answered in ways that were those of us who live as he knew it came to a sudden physical pain because unbearable. Due to this neck, Tom found it lying down. He was slowly losing hope of ever becoming normal again. He came to him with a new-age card reading and book session down at a local hotel, why don't you get out of the house? Tom had a little paperback book called *Simplified* by Ted Andrews. From that point, he began anew.

HAYMARKET RIOT

Nikakva tajna nije da ovi momci, kad je njihova glazba u pitanju, puno toga duguju grupama okupljenim oko Dischorda. Tu se prije svih misli na Fugazi, ali i na Hoover, Jawbox i Smart Went Crazy. Konstantne izmjene žestokih gitarskih dionica i tihih ambijentalnih dijelova ne čine njihov punk rock nimalo revolucionarnim, ali za ljubitelje gore navedenih grupa bit će to i više nego ugodna večer, tim više što su recenzije njihovih živih nastupa izrazito pozitivne.

Chicago USA

AMERICAN HERITAGE

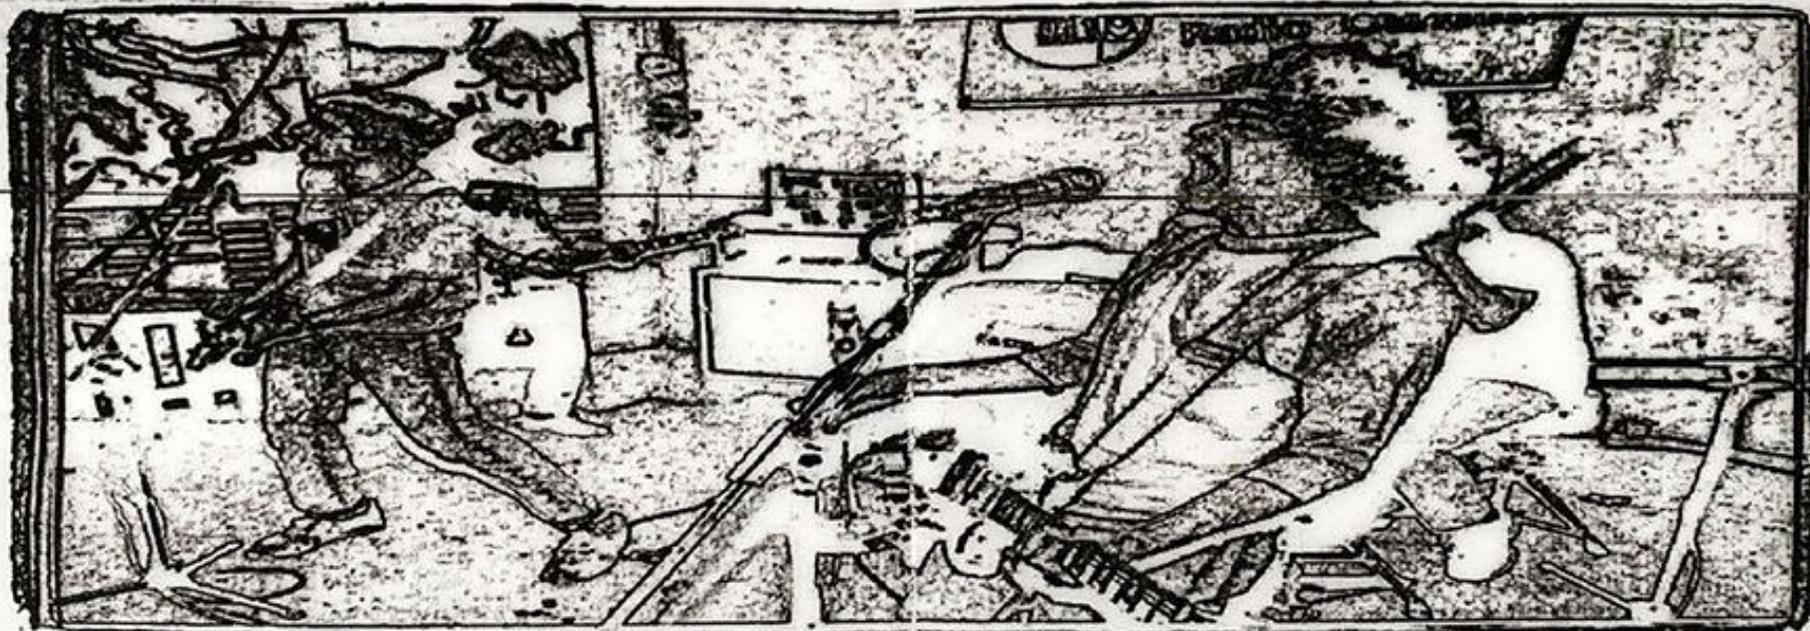

E ovo je druga priča. Naime, kod preslušavanja American Heritage bez imalo razmišljanja se nameće ime Don Caballero, i to njihov drugi album. To znači da oni matematičke strukture instrumentala spajaju s izrazito žestokim, gotovo metalnim gitarama. Ako uz već navedene Don Caballero, volite i Zeni Geva, onda je ovo bend za vas.
