CYCLE TO BREAK

This meaningless slaughter
When can we come to terms
Bloodthirsty murder is
Something that we learn
I look at this world and ask
And ask what is life
For I know this killing
Spawns unforgotten strife

I know these words are committed
For I am an animal (x4)

They put us in a trance
And claim that we're advanced
This is a fucking mess
A state of regress
Tormented age old lies
Wearing a new disguise
But for our own sakes
This is the cycle we must break
(chorus)

The time for justice is near
No more animals have to fear
Slaughterhouses, damned to hell
For all the creatures they befall
(repeat)
Cycle we break
