HAYMARKET RIOT

Nikakva tajna nije da ovi momci, kad je njihova glazba u pitanju, puno toga duguju grupama okupljenim oko Dischorda. Tu se prije svih misli na Fugazi, ali i na Hoover, Jawbox i Smart Went Crazy. Konstantne izmjene žestokih gitarskih dionica i tihih ambijentalnih dijelova ne čine njihov punk rock nimalo revolucionarnim, ali za ljubitelje gore navedenih grupa bit će to i više nego ugodna večer, tim više što su recenzije njihovih živih nastupa izrazito pozitivne.

Chicago USA

AMERICAN HERITAGE

E ovo je druga priča. Naime, kod preslušavanja American Heritage bez imalo razmišljanja se nameće ime Don Caballero, i to njihov drugi album. To znači da oni matematičke strukture instrumentala spajaju s izrazito žestokim, gotovo metalnim gitarama. Ako uz već navedene Don Caballero, volite i Zeni Geva, onda je ovo bend za vas.

CHOP SHOP

A photograph of two women sitting at a dark wooden table in a bar or restaurant. The woman on the left, wearing a bright green sleeveless top and glasses, is pouring beer from a brown bottle into a glass held by the woman on the right. The woman on the right has a white cast on her left arm. On the table are a brown beer bottle, a glass, and a small white napkin holder. In the background, a bar counter with various bottles and two other people are visible. The entire image is framed by a border of pink hearts and has several colorful heart-shaped bokeh effects overlaid.
